Testimonials (System Implementation)

The effort and dedication you put into creating such a comprehensive and user-friendly resource have not gone unnoticed. The feedback we've received in the last 3 years so far highlights its clarity and ease of navigation, which will significantly improve how our team accesses crucial spare parts information.

Testimonials (System Implementation)

It has been a successful engagement with DU IT Consulting so far. We have accomplished our business goals with the help of Dinesh.

He is knowledgeable, intellect and results-driven.

We have been very happy with the services provided by Dinesh for our Microsoft Dynamics CRM needs. He is a detail oriented and talented professional and has been able to successfully meet our needs with respect to CRM. I would highly recommend Dinesh for Microsoft Dynamics CRM.

Testimonials (Training)

It was a great pleasure to work with Dinesh for a training project on MS Dynamics CRM with one of our reputed client.

I can personally vouch for Dinesh with a very strong knowledge base around MS Dynamics CRM. Few points to highlight:

- 1) Excellent Communication Skills
- 2) Proper understanding of the Subject
- 3) Good engagement skills
